Manager's Report

It's been a little over the month since I assumed the duties of Club Manager. You would think after being a member for 34 years, being on the board for two terms and serving as the President for a term, you would know just about everything that goes on ... but then you soon realize some of the details that previously went unnoticed. Many pieces go into the operation of an organization.

If you have any ideas or suggestions, please call me. We are here for you!

Thanks for your support.

Tom

Golf News

Our aerification was delayed a week by the rain but we finally got some decent weather and finished the greens. If the weather stays good our greens should heal and be back to normal in about two weeks. We are still waiting on drier weather to start the paving project on #16 and to finish the work on the bathrooms out on the course.

Member/Guest this year is scheduled for **June 26th, 27th and 28th**. This is earlier than years past in hopes of avoiding the really hot weather we tend to get in late July. Entry fee this year is \$300 per team and in an effort to have more teams you may play with a guest or play with another member. Another change this year is that drinks will not be included in the entry fee but will be available at a discounted price starting at the Friday Night Calcutta. Entry forms and itinerary will be in next month's Smoke Signal.

We have a lot of tournaments scheduled in April:
